Complete control of your TV experience like never before.

Access**NexTV Stream** is a streaming service that allows you to use your Access**Internet** to watch a lineup of the most popular channels on a variety of devices without the need for a set top box on every TV. Most major streaming devices are supported so you can watch your favourite programs and movies regardless of the screen. You'll also get a ton of features with your NexTV *Stream* package including Cloud PVR, restart TV and more.

NexTV Stream App[†]

Entertainment on the go

Enjoy live and recorded TV, tons of OnDemand shows and movies through one app anytime, anywhere, on any compatible device¹. Download from Apple and Google Play stores.

Photos, videos and music[†]

Cast Away

Cast movies, TV shows, music, games, sports, photos and more from your device directly to your TV⁴.

Picture quality you deserve

Live, Local and HD

Most channels delivered in high definition only so your guide isn't cluttered with multiple versions of the same channel. AccessNexTV *Stream* also offers 4K picture quality⁵.
